

Nils Van Zandt, Feel Like Dancing (Feat. Sharon

You make me Feel Like Dancing
You make me Feel Like Dancing
You make me Feel Like Dancing

I'm in the mood
So tell all your friends
The party started
And we're going wild tonight
Get on the floor
Stick me hand
Coz I know
You Feel Like Dancing

Yeah, I feel we're lucky tonight
Will be the best time of our lives
I will hold you till the morning light
It's so fine when we're dancing

You make me Feel Like Dancing
You make me Feel Like Dancing
You make me Feel Like Dancing

I want to feel so get down with this
We're getting closer with every step we do tonight
I feel you breathing like just want to kiss
I know, the weirdest dancing

Yeah, I feel we're lucky tonight
Will be the best time of our lives
I will hold you till the morning light
It's so fine when we're dancing

You make me Feel Like Dancing
You make me Feel Like Dancing
You make me Feel Like Dancing
