

Nina Nesbitt, The Best You Had

does she ever feel like me?
run her fingers down your neck
do you ever talk about us?
or is it just the bad time we had
cause, baby. it's been 3 weeks and I'm going out of my mind
how does she taste
Is it sweeter than mine was?
I've been using bodies just to get me through the night
is it the same ?

cause it's crazy
that you're moving on so fast
but baby it's ok.
if I'm still the best you had /3x

nobody did it like us
nobody did it like you did
darling, I know that we're fucked
you and I got stupid
tell everyone I hate her
cause I scared of how you feel
it's complicated

it's crazy
that you're moving on so fast
but baby it's ok.
if I'm still the best you had /3x
and I don't want you
no nothing more
I don't need you
it's crazy
that you're moving on so fast
when I'm still the best you had /3x

it's crazy
that you're moving on so fast
but baby it's ok.
if I'm still the best you had /3x

maybe it's ok?
if I'm still the best you had
I'm still the best you had
