

# Noah Cyrus, Young & Sad

hey bud this is ol' dad  
just wanted you to know  
that you ain't alone  
keep a smile on your face  
everything's gonna be fine  
I love you

they say  
you should smile more  
darling show your eyes more  
aren't you satisfied?  
I am tired of trying to please some  
one who doesn't even care  
what's on my mind
