

# NOFX, Jeff Wears Birkenstocks?

Don't wanna chill, don't wanna sit  
Don't wanna hear no hippy shit  
Don't tell me I'm closing my mind  
Don't wanna groove, don't wanna dig  
Don't wanna spend the day naked  
Don't like my music country fried  
He's got a tie dyed Rancid shirt  
He wears his birkenstocks to work  
Is he a jerk? No! Just confused  
Jeff don't wear regular shoes  
Fat Mike I gotta let you know  
It's not the tunes, it's their live show  
And all the people you get to meet  
Plenty of good vibes and decent drugs  
Stinky people give you hugs  
Walk around in your bare feet  
He's got a tie dyed Rancid shirt  
He wears his birkenstocks to work  
Is he a jerk? No! Just confused  
Jeff don't wear regular shoes
