

# NOFX, You Drink, You Drive, You Spill

I say don't drink and drive  
you might spill your drink  
before you get behind  
that wheel, just stop & think  
you can take your chances  
but there's so much to lose  
another bumpy road,  
there's so much wasted booze  
I'm not so worried  
about how many I kill  
I'm much more concerned  
with how much beer I spill  
35% of accidents  
are caused by intoxicated  
the other 65 are not  
alcohol related  
what does this tell us  
about the drunk drivers  
they seem to have a  
better record than  
the sober team
