## Nomy, I am God

Dont blame me baby when you cant see who I am what can do you understand you just cant stand up this party's gonna pop Critize me if you think you can I dont give a damn if you're not my fan Laughter fills the air speek now if you dare Hey you Calm down If you dont feel allright I can take the fight I know you love me but you dont your eyes are burning of something you cant have I know you love me but you dont Your soul is screaming of something I wont give
