

# Norah Jones, At Last

At Last.....

My love has come along

My lonely days are over

And life is like a song

oh ya ya

At Last.....

The sky's above are blue

My heart was wrapped up in clovers

The night I I looked at you

I found a dream

That I could speak to

A dream that I I I I could call home

I found a dream

To rest my cheek to

Of rely I've never known

Oh ya ya

And you smile

And you smile

Oh and then the spell was cast

And here we are in heaven

For you are mine

At last
