## Norah Jones, Come away with me

Come away with me in the night Come away with me And I will write you a song Come away with me on a bus Come away where they cant tempt us With their lies I want to walk with you On a cloudy day In fields where the yellow grass grows knee-high So wont you try to come Come away with me and we'll kiss On a mountaintop Come away with me And i'll never stop loving you And I want to wake up with the rain Falling on a tin roof While I'm safe there in your arms So all I ask is for you
To come away with me in the night Come away with me
