Norah Jones, Crazy

Crazy
Crazy, crazy for feeling so lonely
I'm crazy, crazy for feeling so blue
I know, that love me as long as you want it
and inside I know you would leave me for somebody new
Worry, why do I let myself worry
Wondering, what in the world did I do?
Crazy, of thinking that my love could hold you
Oh I'm crazy for trying
and crazy for crying
and I'm crazy for loving you
solo
Worry, why do I let myself worry
Wondering, what in the world did I do?
Crazy, of thinking that my love could hold you
Ohoh I'm crazy for trying,
and I'm crazy for crying
and I'm crazy for loving you
