

# Norah Jones, Don't Miss You At All

As I sit and watch the snow  
Fallin' down  
I don't miss you at all  
I hear children playin' laughin' so loud  
I don't think of your smile

So if you never come to me  
You'll stay a distant memory  
Out my window I see light doing dark  
Your dark eyes don't haunt me

And then I wonder who I am  
Without the warm touch of your hand

And then I wonder who I am  
Without the warm tough of your hand  
As I sit and watch the snow  
Fallin' down

I don't miss you at all  
I don't miss you at all  
I don't miss you at all
