

# Norah Jones, I'll Be Your Baby Tonight

Close your eyes, close the door  
You don't have to worry any more  
Cause I'll be your baby tonight  
Shut the lights and shut the shade  
You don't have to be afraid  
'Cause I'll be your baby tonight  
Well, that mockingbird's gonna sail away  
We're gonna forget it  
That big fat moon  
Is gonna shine like a spoon  
But we're gonna let it  
You won't regret it  
Kick your shoes off  
And don't you fear  
Bring that bottle over here  
Cause I'll be your baby tonight  
Well, that mockingbird's gonna sail away  
We're gonna forget it  
That big fat moon  
Is gonna shine like a spoon  
But we're gonna let it  
You won't regret it  
Kick your shoes off  
And don't you fear  
Bring that bottle over here  
Cause I'll be your baby tonight  
Cause I'll be your baby tonight  
Cause I'll be your baby tonight, tonight
