

# Norah Jones, Ruler Of My Heart

Ruler of my heart  
rubber of my soul  
where can you be  
I wait patiently

My heart cries out  
pain inside  
where can you be  
I wait patiently

When you're alone  
going get rough  
come back, come back, come back, baby  
I've had enough

Make me queen  
happy again  
here my cry  
and ease my pain

When you're alone  
going gets rough  
come back, come back, come back, baby  
I've had enough

Make me queen  
happy again  
hear me cry  
ease my pain
