

# Normani & Megan Thee Stallion, Diamonds [pious]

diamonds are a girl's best friend  
diamonds are a girl's best friend  
I don't need you  
I've got flooded out banquettes  
I don't need you  
boy, my diamonds dripping wet

I'm a super shero, bitch  
don't try me hoe  
bad like a villain  
I pop it and then I reload  
all the best things in life come for free  
but don't you think tha applies to me  
I do what I want cause I know that I am hot  
I aint a band but you know how I rock  
don't need no clippers to give you a chop  
took me to dinner then I took him out  
I like it when you call me crazy  
long as you keep callin' baby  
he thinks it's cute that I know how to shoot  
don't you get scared if I point at you  
broke up whit my ex  
dumped him in a text  
would wish you the best  
but I alrady left  
date night with my bitches  
getting' real twisted  
you know what you could do?  
give my ass a bunch of kisses

I love me this much  
my pear shape all dripped up  
it's freezing  
in my eye

diamonds are a girl's best friend  
diamonds are a girl's best friend  
southern girl in me  
I an't afraid to chatch a case  
VVS's on me and I flooded out the face

I know hot to work a gun  
I don't need a range  
and I can take a hit  
I ain't scared of a pain  
and I don't really bang  
but I came wit the gang  
abd if you get too close  
I might snatch off your chain  
you want me to be a little more lady like  
come through whit my girls nd beat your ass on ladies' night  
you don't want to go toe whit me pedicure  
everyone you know be like: Bro, how you handle her?  
diamonds are my new boyfriend  
so that mean I will never ever fuck whit you again  
and I ain't never need him so it's so easy to leave him  
and I be doing me I ain't never tryin' to please him

I love me this much  
my pear shape all dripped up  
it's freezing  
in my eye

look at all these  
rocks /3x  
they come stop and  
watch /3x  
all these diamonds dancing  
know that you can't stand this  
bands on my hands  
I got band's , I'ma bandit
