

Normani, Motivation

I'ma break you off, let me be your motivation
To stay and give it tonight
And, baby, turn around, let me give you innovation, hey
'Cause I do it so right

You got that good good, baby, don't you?
Got that good good, baby, don't you?
But you leavin' solo
And you regular, damn, and you regular
I ain't gon' keep keep fightin' for it
Ain't gon' keep keep fightin' for it
'Cause you know this thing here
Ain't regular, damn, ain't regular

Fallin' into the bed
Why would we ever do somethin' instead of
Fallin' into the bed right now? (Now, now, now)

I'ma break you off, let me be your motivation
To stay and give it tonight
And, baby, turn around, let me give you innovation (Hey)
'Cause I do it so right
Think about it, ooh, I think about it
Think about it, ooh, take a look at me now (Hey)
A little motivation, alright

You got a bad one, baby, don't you?
Got a bad one, baby, don't you
And we both know there's no
One better, boy, no one better, boy
Too late, won't make it, I'ma tell 'em
Get you naked, but I won't tell 'em (Yee)
'Cause you know that there's no
One better, boy, no one better, boy

Fallin' into the bed
Why would we ever do somethin' instead of
Fallin' into the bed right now?
(Eh, right now, now)

I'ma break you off, let me be your motivation
To stay and give it tonight (And give it tonight)
And, baby, turn around, let me give you innovation (Hey)
'Cause I do it so right
Think about it, ooh, I think about it
Think about it, ooh, take a look at me now (Hey)
A little motivation, alright

Hey, ohh-ohh-ohh
A little motivation (Ohh-ohh-ohh)

I'ma break you off, let me be your motivation
To stay and give it tonight (And give it tonight)
And, baby, turn around, let me give you innovation (Hey)
'Cause I do it so right
Think about it, ooh, I think about it
Think about it, ooh, take a look at me now (Hey)
A little motivation, alright

Ohh-ohh-ohh
Ohh-ohh-ohh
