

# Nothing But Thieves, Sorry

You might kill me with desire  
Wind me tighter than a wire  
It's something that you do to me  
I run away like mercury  
And I know you think it's rough  
When you're tryna patch us up  
And I say honey what is love?  
You just say I drink too much

Maybe I'm defective  
Or maybe I'm dumb  
I'm sorry  
So sorry for what I've done

And I'm the t-shirt that I wear  
Pick the thorns out of my hair  
I broke you heart so carelessly  
But made the pieces part of me  
And now it hurts what we've become  
Cause you thought me how to love  
It's me who taught ypu how to stop  
And you just I drink too much

Maybe I'm defective  
Or maybe I'm dumb  
I'm sorry  
So sorry for what I've done  
Maybe I'm bad natured  
Or maybe I'm young  
I'm sorry, so sorry for what I've done

I've waited for this  
I'm already for it  
/2x  
Been waiting so long
