Nouvelle Vague, Marian

(feat. Alex)

(The Sisters of Mercy)

In a sea of faces, in a sea of doubt In this cruel place your voice above the maelstrom In the wake of this ship of fools I'm falling further down If you can see me, Marian, reach out and take me home.....

I hear you calling Marian
Across the water
Across the wave
I hear you calling Marian
Can you hear me calling you to
Save me, save me from the grave...

Marian Marian

There's a weight above me
And the pressure is all too strong
To breathe deep, breathe long and hard
To take the water down and go to sleep
To sink still further beneath the fatal wave
Marian I think I'm drowning
This sea is killing me

I hear you calling Marian
Across the water
Across the wave
I hear you calling Marian
Can you hear me calling you to
Save me, save me from the grave...
