Hypnotic

Hypnotic

Hypnotic

Girl you got me

Hypnotic

She not a good girl, nah

She naughty

It's just me and you in this club

No one matter to me except for us

Us, us, us, us

Girl if you ain't notice, this my world

There's still a lot you got to learn

What's mine is hers

Everything I got I worked my ass off I deserve it

Bitch I'm not your fucking buddy

She like "I think I recognize you"

Bitch I ain't nobody

You can keep all the shit that you wearing

We already know it's fake

Ain't nobody impressed by the shit that you playing

How the hatin' on me, but look like they lame?

How they acting like that and they don't got a name?

Order what you want, put it all on my tab
