

# Of Monsters and Men, Slow and Steady

The lights go out, I am all alone  
All the trees outside are buried in the snow  
I spend my night dancing with my own shadow  
And it holds me and it never lets me go

I move slow and steady  
But I feel like a waterfall  
Yeah, I move slow and steady  
Past the ones that I used to know

My dear old friend, take me for a spin  
Two wolves in the dark, running in the wind  
I'm letting go, but I've never felt better  
Passing by all the monsters in my head

I move slow and steady  
But I feel like a waterfall  
Yeah, I move slow and steady  
Past the ones that I used to know

And I'm never ready  
'Cause I know, I know, I know  
That time won't let me  
Show what I want to show

I move slow and steady  
But I feel like a waterfall  
Yeah, I move slow and steady  
Past the ones that I used to know

And I'm never ready  
'Cause I know, I know, I know  
That time won't let me  
Show what I want to show
