

Ofenbach & Ella Henderson, Hurricane

I want you to hold on
I want you to stay
A milion words
I don't know how to say
I am looking for a shelter
In my house od cards
Oh, i am letting down my guard

I am counting
1, 2, 3, 4, 5
Hoping we gonna
Be alright
Don't know where our feelings hide
Someone please
Just sched a light

You're spinning through my mind
Like a hurricane
Calling out your name
In the heavy rain
Blowing through my mind
Like a hurricane
I am losing my faith
In the heavy rain

Blowing through my mind like a hurricane

I beg you to call back 'cause there's only rewind
I'm asking myself, will our stars realign?
You say I should move on and keep out the ghosts
Get out of these dangers

1, 2, 3, 4, 5
Hoping we gonna
Be alright
Don't know where our feelings hide
Someone please
Just sched a light

You're spinning through my mind
Like a hurricane
Calling out your name
In the heavy rain
Blowing through my mind
Like a hurricane
I am losing my faith
In the heavy rain
