

# Ola, All It Takes

Pushing me up, pushing me upside down  
World keeps spinning around  
Keeps spinning around  
You keep swimming so we don't drown  
Sometimes I win and sometimes I lose  
But I don't give up and I won't give an excuse  
All it takes is a spark to ignite you when  
When your world is falling to pieces  
All it takes is a little confidence  
You know it's never too late  
A little faith is all it takes  
People putting me down  
They're putting me up  
Some people turn their head and frown  
Stay true, true to your dreams  
Even though it may seem like the road up ahead is steep  
You can't stop me cause I can't get enough  
keep it coming, bring it on  
You know it just make me tough  
CHORUS  
No matter what's on your mind  
Whatever you're trying to find  
Always try to do it right  
And don't give up without a fight  
Whether you're a movie star  
Or living the small-town life  
Pressure's pushing me down  
Pushing me up, pushing me upside down  
Stay true, true to your dreams  
Even though it may seem like the road up ahead is steep  
Sometimes I win and sometimes I lose  
But I don't give up and I won't give an excuse  
CHORUS
