## Oliver Heldens, Fire In My Soul (ft. Shungudzo)

touch me like you never touched somebody before you are made of pure dreams mixed with champagne for sure

do you ever wonder how good life could be? you don't have to wonder just be next to me!

there's a fire in my soul it's the gasoline in you make me burn out of control there's a fire in my mouth only you could put in out come on over put it out

there's a fire in my soul there's a

touch me like you never touched somebody before you are made of pure dreams mixed with champagne for sure

do you ever wonder how good life could be? you don't have to wonder just be next to me!

there's a fire in my soul it's the gasoline in you make me burn out of control there's a fire in my mouth only you could put in out come on over put it out
