

# Olivia Holt, Do You Miss Me

I wana ask you if it's easy  
Sleeping in the bed  
I wana ask you  
How you're feeling  
Next to her instead  
I wanna know if you found clouser  
Somewhere deep inside your head

I wanna ask you do you miss me  
Oh, no no no nono  
I wanna ask you do you miss me  
The way that i could talk you down  
When you're mine  
We're spiraling down  
I wish tat i could hold you now
