

# Olivia Rodrigo, Can't Catch Me Now (From The H

There's blood on the side of the mountain  
There's writing all over the wall  
Shadows of us are still dancing  
In every room and every hall

There's snow falling over the city  
You thought that it would wash away  
The bitter taste of my fury  
And all of the messes you made  
Yeah you think that you got away

But I'm in the trees  
I'm in the breeze  
My footsteps on the ground  
You'll see my face in every place  
But you can't catch me now

Through wading grass  
the months will pass  
you'll feel it all around  
I'm here, I'm there, I'm everywhere  
But you can't catch me now  
No you can't catch me now

Bet you thought I'd never do it  
Thought it'd go over my head  
I bet you figured I'd pass with the winter  
Be something easy to forget  
Oh you think I'm gone cause I left

But I'm in the trees  
I'm in the breeze  
My footsteps on the ground  
You'll see my face in every place  
But you can't catch me now

Through wading grass  
the months will pass  
you'll feel it all around  
I'm here, I'm there, I'm everywhere  
But you can't catch me now  
No you can't catch me now

Ooooo [x4]

You can't, you can't catch me now  
I'm coming like a storm into your town  
You can't, you can't catch me now  
I'm higher than the hopes that you brought down

You can't, you can't catch me now  
I'm coming like a storm into your town  
You can't, you can't catch me now  
I'm higher than the hopes that you brought down

You can't, you can't catch me now  
I'm coming like a storm into your town  
You can't, you can't catch me now  
You can't, you can't, you can't

There's blood on the side of the mountain  
It's turning a new shade of red  
Yeah sometimes the fire you founded  
Don't burn the way you'd expect

Yeah you thought that this was the end
