I feel like I could disappear
I could overflow and ocean with a cavalcade of all my tears
and I know it sounds dramatic
but that's just how it feels"
She said: "I am holding to the notion
that I'll find something real"

i just want to be wanted
I could use a little love sometimes
I just need to be needed
like to know I am crossing someone's mind
I just want to be someone that somebody needs
I just want to be more than a drop in the sea
I just wanted be...

she said: "I am counting up my karma
and I think it's time to cash it in
so tired of living in the shadow of a mountain
of what might have been
and I know it sounds dramatic
but that's just how it feels
I've been looking for somebody to tell me that I'm real"

i just want to be wanted
I could use a little love sometimes
I just need to be needed
like to know I am crossing someone's mind
I just want to be someone that somebody needs
I just want to be more than a drop in the sea
I just wanted be wanted

we just want to be wanted
I just wanted be wanted
I could use a little love sometimes
I just need to be needed
