

# Only The Poets, One More Night

(One more night)

(One more night)

I remember, I remember  
All the cold nights in the summer  
If I could Go right back, I'd Go back  
I'm ready to Go (I'm ready to go)  
Started fires, I loved a liar  
I swear the stars then, they were brighter  
If I could Go right back, I'd Go back  
I'm ready to Go (I'm ready to go)

Where my heart got broken  
Where I lost that fight  
Where I found my purpose  
Getting drunk all night  
Where the world stops turning  
And the sun don't rise  
Take me back, I'm hurting  
For one more night like that.

Ooh, one more night  
Ooh, one more night  
One more night like that

It was simple, what we lived for  
I miss the people, that I'd die for  
If I could Go right back I'd Go back  
And I'd let them know

Oh, if only I had known  
Time don't move slowly  
I'd never leave

Where my heart got broken  
Where I lost that fight  
Where I found my purpose  
Getting drunk all night  
Where the world stops turning  
And the sun don't rise  
Take me back, I'm hurting  
For one more night like that.

Ooh, one more night  
Ooh, one more night  
One more night like that  
Ooh, one more night  
Ooh, one more night  
One more night like that

Where my heart got broken  
Where I lost that fight  
Where I found my purpose  
Getting drunk all night  
Where the world stops turning  
And the sun don't rise  
Take me back, I'm hurting  
For one more night like that.

Ooh, one more night  
Ooh, one more night  
One more night like that  
Ooh, one more night

Ooh, one more night  
One more night like that
