

Orden Ogan, My Worst Enemy

It's the enemy inside your head
To live with it is worse than being dead
When thoughts are spinning round and round
And you feel to scream but there's no sound

Dreams are made to misguide you
Create the hell that you go through

My worst enemy - has always been myself
My worst enemy - guides me into darkness
My worst enemy - has fought me all my life
An extinguishing light in the end

And within your mind you wage a war
With battles fought a thousand times before
The voice within will never cease
And nothing ever'll give you peace

You craft the chains that will bind you
And wherever you run you will find you
(I feel the end is coming)

My worst enemy - has always been myself
My worst enemy - guides me into darkness
My worst enemy - has fought me all my life
An extinguishing light in the end

My worst enemy - has always been myself
My worst enemy - guides me into darkness
My worst enemy - has fought me all my life
An extinguishing light in the end
...Please extinguish my light in the end

My name is Alister Vale. I am immortal.
Centuries ago I tried to do the right thing, but I was deceived. And cursed.

that I leave behind will decay and perish.
But I might have found a solution.
An immemorial nameless order. In ancient lore commonly referred to as ORDEN OGAN, or
