

# Oskar Brzostowski, They Don't Know About Us

People say we shouldn't be together  
We're too young to know about forever  
But I say  
They don't know  
What they're talk - talk - talking about

Cause this love is only getting stronger  
So I don't want to wait any longer  
I just want to tell the world that you're mine, girl

They don't know about the things we do  
They don't know about the I love you's  
But I bet you if they only knew  
They'd just be jealous of us  
They don't know about the up all nights  
They don't know I've waited all my life  
Just to find a love that feels this right  
Baby, they don't know about, they don't know about us

One touch and I was a believer  
Every kiss gets a little sweeter

It's getting better  
Keeps getting better all the time, girl

They don't know about the things we do  
They don't know about the I love you's  
But I bet you if they only knew  
They'd just be jealous of us  
They don't know about the up all nights  
They don't know I've waited all my life  
Just to find a love that feels this right  
Baby, they don't know about, they don't know about us

They don't know how special you are  
They don't know what you've done to my heart  
They can say anything they want  
Cause they don't know us

Niall:  
They don't know what we do best  
It's between me and you  
Our little secret

But I wanna tell them  
I wanna tell the world  
That you're mine, girl

They don't know about the things we do  
They don't know about the I love you's  
But I bet you if they only knew  
They'd just be jealous of us  
They don't know about the up all nights  
They don't know I've waited all my life  
Just to find a love that feels this right  
Baby, they don't know about, they don't know about us  
They don't know about the things we do  
They don't know about the I love you's  
But I bet you if they only knew  
They'd just be jealous of us  
They don't know about the up all nights  
They don't know I've waited all my life  
Just to find a love that feels this right  
Baby, they don't know about, they don't know about us
