

# Overkill, Death Tone

[MANOWAR (R. Friedman/ J. DeMaio)]

Ridin' on to wheels  
Chainsuit on my heels  
Sittin' on leather  
Ridin' on steel

Put my shades on  
Hair blows in the wind  
I give some square the finger  
Now he won't look again, no he won't

[Pre-Chorus:]  
Now, you were sittin'  
And I got sent to Nam  
I give some square the finger  
You just worked at job

[Chorus:]  
Hear me calling  
Can't you hear my death tone  
Hear me calling  
Can't you hear my death tone  
Hear me ride  
On into the night  
Pull along side  
If you're looking for a fight

My social workers  
Got me on a chain  
Keeps me out of jail  
So the paper prints his name, yes it does, and he likes it

Unemployment checks  
Run out next week  
It won't be very long  
'Til I'm back on the streets again

[Pre-Chorus:]  
Now, you were sittin' home  
And I was sent to Nam  
I wen't through the big house  
You just worked at job

[Chorus:]  
Hear me calling  
Can't you hear my death tone  
Hear me calling  
Can't you hear my death tone  
Hear me ride  
On into the night  
Pull along side  
If you're looking for a fight

Death tone  
Death tone  
Gonna ride on my death tone  
On into the night
