Imprisoned in a world created solely for the purpose of a crunch.

What ya see and what ya feel,

Save me from this mad gone world.
Save me from myself.
Save me from this mad gone world!!!
I need help.
Save me from this mad gone world.
Save me from decisions.
Save me from this mad gone world!!!

One million minutes...
One million nights.
One million dreams I've had!
And a million fights.
Livin' in a mad gone world,
Livin' blind.
Livin' with this worldly madness,
Just a state of mind.
Just a state of mind.

Mad! Mad gone world!
