

# Ozzy Osbourne, Aimee

Tell me what do I do about it  
When you break down and cry  
I try to give you all my love and affection  
Please believe me

I try

Oh Aimee

I know I've been unkind

I guess I wasn't much of a friend

Oh Aimee

Let's leave it all behind

Cause I'm gonna love you

I'm gonna love you

Im gonna love you 'Til the end

Aimee

There's so much you give me

So much to live for

When I'm feeling down

You just turn it around

And the pain Isn't there anymore

Oh Aimee

I know I've been unkind

I guess I wasn't much of a friend

Oh Yeah

Aimee

Let's leave it all behind

Cause I'll always love you

I'll always love you

I'll always love you "Til the end

Angel in the night

You'll be my angel in the night

Angel in the night

You'll be my angel in the night

Angel in the night

You'll be my angel in the night

Dont' ever tell me lies

Cause I'll always be your friend

And I'm gonna love you

I'm gonna love you

Im gonna love you 'Til the end

So tell me what do I do about it

When you break down and cry

I try to give you all my love and affection

Please believe me

I try

Oh Aimee

I know I've been unkind

I know I wasn't much of a friend

Oh Yeah

Aimee

Let's leave it all behind

Cause I'm gonna love you

I'm gonna love you

I'm gonna love you 'Til the end

Angel in the night

You'll be my angel in the night
