

# Ozzy Osbourne, Denial

(O.Osbourne - M.Hudson - S.Dudas)

You are my only daughter,  
I guess I made you twice  
You look inside my other  
He'll give you bad advice  
I will tell you I'm ok  
But deep inside I'm afraid

I don't drink holy water  
I'm not the son of christ  
I ain't no black messiah  
And I don't load my dice  
You can tell me you're all right  
But why are you so afraid?

You're in the denial  
You never will believe it's you  
Denial  
You always hide behind the truth  
You'll never believe it  
You'll never believe it's you

I don't think I'm amazing  
In fact I'm quite insane  
To live inside my bucket  
With all my plastic chains  
People tell me every time  
I look at the wrong all right

You're in the denial  
You'll never will believe it's you  
Denial  
You always hide behind the truth  
You'll never believe it,  
You'll never believe it's you  
You'll never believe it,  
You'll never believe it's you

Secrets told you  
Dreamland holds you  
Secrets told you  
You wouldn't believe it  
You couldn't conceive it  
Secrets told you.....  
You wanna receive it  
You gotta believe it's you

You're on a trip already  
I'm tripping out alright  
I'll get these slow and steady  
Just sit and hold on tight

Denial, you never will believe  
It's you  
Denial, you always hide behind  
The truth  
Denial, you never will believe  
It's you  
Denial, you always hide behind  
The truth, yeah, yeah  
Behind the truth, yeah, yeah  
It's true, yeah, yeah  
Behind the truth, yeah, yeah

It's you, yeah, yeah  
Behind the truth, yeah, yeah  
It's gonna be alright  
Just hold on tight  
It's gonna be alright  
Just hold on tight
