## Ozzy Osbourne, Denial

(O.Osbourne - M.Hudson - S.Dudas)

You are my only daughter, I guess I made you twice You look inside my other He'll give you bad advice I will tell you I'm ok But deep inside I'm afraid

I don't drink holy water I'm not the son of christ I ain't no black messiah And I don't load my dice You can tell me you're all right But why are you so afraid?

You're in the denial You never will believe it's you Denial You always hide behind the truth You'll never believe it You'll never believe it's you

I don't think I'm amazing
In fact I'm quite insane
To live inside my bucket
With all my plastic chains
People tell me every time
I look at the wrong all right

You're in the denial You'll never will believe it's you Denial You always hide behind the truth You'll never believe it, You'll never believe it, You'll never believe it, You'll never believe it's you

Secrets told you
Dreamland holds you
Secrets told you
You wouldn't believe it
You couldn't conceive it
Secrets told you......
You wanna receive it
You gotta believe it's you

You're on a trip already I'm tripping out alright I'll get these slow and steady Just sit and hold on tight

Denial, you never will believe It's you
Denial, you always hide behind The truth
Denial, you never will believe It's you
Denial, you always hide behind The truth, yeah, yeah
Behind the truth, yeah, yeah
It's true, yeah, yeah
Behind the truth, yeah, yeah

It's you, yeah, yeah Behind the truth, yeah, yeah It's gonna be alright Just hold on tight It's gonna be alright Just hold on tight
