

# Ozzy Osbourne, Good Times

[Eric Burdon cover]

When I think of all the good times that I've wasted having good times  
When I think of all the good times that 's been wasted having good times

When I was drinking  
I should've been thinking  
When I was fighting  
I could've done the right thing  
All of that boozing  
I was really losing  
Good times  
Good times

When I think of all the good time that's been wasted having good times  
When I think of all the good time that we wasted having good times

All of my lying  
I remember her crying  
All of the talking  
I could've been walking  
Instead of complaining  
I could've been gaining  
Good times

Useless talking  
All that walking  
All of my sinning  
I could've been winning  
I have it too easy  
And its a beginning of a good time  
Good times

When I was drinking  
I should've been thinking  
When I was fighting  
I could've done the right thing  
All of that boozing  
When I was really losing  
All of my sinning  
I could've been winning

Oh yeah, I am ready for a good time

Cheers!
