

Ozzy Osbourne, Good Times

[Eric Burdon cover]

When I think of all the good times that I've wasted having good times
When I think of all the good times that 's been wasted having good times

When I was drinking
I should've been thinking
When I was fighting
I could've done the right thing
All of that boozing
I was really losing
Good times
Good times

When I think of all the good time that's been wasted having good times
When I think of all the good time that we wasted having good times

All of my lying
I remember her crying
All of the talking
I could've been walking
Instead of complaining
I could've been gaining
Good times

Useless talking
All that walking
All of my sinning
I could've been winning
I have it too easy
And its a beginning of a good time
Good times

When I was drinking
I should've been thinking
When I was fighting
I could've done the right thing
All of that boozing
When I was really losing
All of my sinning
I could've been winning

Oh yeah, I am ready for a good time

Cheers!
