

Ozzy Osbourne, I Don't Want To Change The World

(Ozzy Osbourne, Zakk Wylde, Randy Castillo, Lemmy Kilmister)

Standing at the crossroads, world spinning round and round
Know which way I'm going, you can't bring me down
Don't you try and teach me no original sin
I don't need your pity for the shape I'm in
I Don't Wanna Chaneg The World
I don't want the world to change me
I Don't Wanna Chaneg The World
I don't want the world to change me
Tell me I'm a sinner I got news for you
I spoke to God this morning and he don't like you
You telling all the people the original sin
He says he knows you better that you'll ever know him

You know it ain't easy
You know it ain't fair
So don't try to please me
Because I really don't care
Don't tell me stories 'cause yesterday's glories
Have gone away, so far away
I've heard it said there's a light up ahead
Lord I hope and pray I'm here to stay
Tell me I'm a sinner I got news for you
I spoke to God this morning and he don't like you
Don't you try and teach me no original sin
I don't need your pity for the shape I'm in
