Ozzy Osbourne, If I Close My Eyes Forever

Baby

I get so scared inside, and I don't really understand Is it love that's on my mind, or is it fantasy Heaven Is in the palm of my hand, and it's waiting here for you What am I supposed to do with a childhood tragedy

If I close my eyes forever Will it all remain unchanged If I close my eyes forever Will it all remain the same...

Sometimes

It's hard to hold on So hard to hold on to my dreams It isn't always what is seems When you're face to face with me

You're like a dagger And stick me in the heart And taste the blood from my blade And when we sleep, would you shelter me In your warm and darkened grave

If I close my eyes forever Will it all remain unchanged If I close my eyes forever Will it all remain the same...

Will you ever take me No, I just can't take the pain But would you ever trust me No, I'll never feel the same...Ohh...

(solo)

I know I've been so hard to you I know I've told you lies If I could have just one more wish I'd wipe the cobwebs from my eyes

If I close my eyes forever Will it all remain unchanged If I close my eyes forever Will it all remain the same...

Close your eyes Close your eyes You gotta close your eyes for me
