## Ozzy Osbourne, In My Life (The Beatles - Cover)

There are places I remember All my life though some have changed Some forever not for better Some have gone and some remain All these places have their moments With lovers and friends I still can recall Some are dead and some are living In my life I've loved them all But of all these friends and lovers There is no one compares with you And these memories lose their meaning When I think of love as something new Though I know I'll never lose affection For people and things that went before I know I'll often stop and think about them In my life I love you more Though I know I'll never lose affection For people and things that went before I know I'll often stop and think about them In my life I love you more In my life I love you more
