

# Ozzy Osbourne, Lightning Strikes

(Daisley - Lee - Osbourne)

Won't you listen 'cos I'm at it again  
Lightning striking, and on that you can depend  
They say that lightning never strikes the same place twice  
Gods of thunder, sit and watch the event

You know I take no prisoners  
My back's to the wall  
You know I must be going  
When destiny calls  
Until I feel that thunder shattering my brain

I won't stop rockin' all night, rockin' all night  
Until the lightning strikes again  
Rockin' all night, rockin' all night  
Until the lightning strikes again

Tell your mama that you're gonna be late  
But not to worry, we'll just be rockin' all night  
The lightning strikes before you hear the thunder roar  
We're becoming the children of the night

I'm not apologizing  
I am what I am  
There is no compromising  
I don't give a damn  
Until I feel the thunder boiling in my veins

I won't stop rockin' all night, rockin' all night  
Until the lightning strikes again  
Rockin' all night, rockin' all night  
Until the lightning strikes again

Oh no, I've lost control  
Here we go, it's only rock & roll

The silver light is flashing  
As all turns to gold  
In my head voices screaming  
And I'm being told  
If you will only listen, you will hear them too

I won't stop rockin' all night, rockin' all night  
Until the lightning strikes again  
Rockin' all night, rockin' all night  
Until the lightning strikes again  
You go rockin' all night, rockin' all night  
Until the lightning strikes again  
You go rockin' it all night, rockin' it all night  
Until the lightning strikes again
