

# Ozzy Osbourne, One of Those Days - ft. Eric Clapton

Disarray and burning nations  
Dancing in the smoke  
Getting high on suffocation  
Better not to know (Yeah)

Hey, hey, have I lost my mind?  
Killing myself but I never die  
It's one of those days that I don't believe in Jesus  
No, no

Hey, hey, have I lost control?  
Drinking my sins, never drown my soul  
One of those days that I don't believe in Jesus  
No, no, no

Lay me down on broken bottles  
Let me see my blood  
Love you now but not tomorrow  
Be afraid of what's to follow

Hey, hey, have I lost my mind?  
Killing myself but I never die  
It's one of those days that I don't believe in Jesus  
No, no

Hey, hey, have I lost control?  
Drinking my sins, never drown my soul  
One of those days that I don't believe in Jesus  
No
