

# Ozzy Osbourne, Ordinary Man (ft. Elton John)

I was unprepared for fame  
then everybody knew my name  
no more lonely nights it's all for you  
I have traveled many miles  
I've seen tears and I've seen smiles  
just remember that it's all for you

don't forget me as the colors fade  
when the lights go down  
it's just an empty stage  
ok  
yes, I've been a bad guy  
been higher than the blue sky  
and the truth is I don't wanna die an ordinary man  
I made momma cry  
don't know why I am still alive  
yes, the truth is I don't wanna die an ordinary man

many times I lost control  
they tried to kill my rock n roll  
just remember I am still here for you

I don't wanna say goodbye  
when I do you'll be alright  
after all I did it all for you

don't forget me as the colors fade  
when the lights go down  
it's just an empty stage  
ok  
yes, I've been a bad guy  
been higher than the blue sky  
and the truth is I don't wanna die an ordinary man  
I made momma cry  
don't know why I am still alive  
yes, the truth is I don't wanna die an ordinary man

yes, I've been a bad guy  
been higher than the blue sky  
and the truth is I don't wanna die an ordinary man  
I made momma cry  
don't know why I am still alive  
yes, the truth is I don't wanna die an ordinary man
