

Ozzy Osbourne, Party With The Animals

Into the night I've gotta go
That's when the juices start to flow
Everything will be alright
I might be blind but I can see
I got the power inside of me
Everything will be alright
I'm never gonna crack under a witch's spell
Never put her chain's on me
I'm never gonna break it
No I'll never tell
I know she'll never let me be
Party, party with the animals
Party, no dogs allowed
Party, party with the animals
Party, no dogs allowed no more
I like it fast, I like it slow
There's no direction I couldn't go
Everything will be alright
I like it loud, I like it mean
I got the thunder in my machine
Everything will be alright
Dancing with disaster is a part of me
I'm never gonna let it go
Don't know what I'm after I'm deserting me
The secret that I'll never know
