## Ozzy Osbourne, Sabbath Bloody Sabbath

You've seen life through distorted eyes You know you had to learn The execution of your mind You really had to turn The race is run the book is read The end begins to show The truth is out, the lies are old But you don't want to know

Nobody will ever let you know When you ask the reasons why They just tell you that you're on your own Fill your head all full of lies

The people who have crippled you You want to see them burn
The gates of life have closed on you And now there's just no return
You're wishing that the hands of doom
Could take your mind away
And you don't care if you don't see again
The light of day

Nobody will ever let you know When you ask the reasons why They just tell you that you're on your own Fill your head all full of lies

Where can you run to
What more can you do
No more tomorrow
Life is killing you
Dreams turn to nightmares
Heaven turns to hell
Burned out confusion
Nothing more to tell

Everything around you
What's it coming to
God knows as your dog knows
Bog blast all of you
Sabbath Bloody Sabbath
Nothing more to do
Living just for dying
Dying just for you
