

# Ozzy Osbourne, Thank God For The Bomb

(Daisley - Lee - Osbourne)

Like moths to a flame  
Is man ever gonna change?  
Time's seen untold aggression  
And infliction of pain  
If that's the only thing that's stopping war

Then thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb  
Nuke ya, nuke ya

War is just another game  
Tailor made for the insane  
But make a threat of their annihilation  
And nobody wants to play  
If that's the only thing that keeps the peace

Then thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb  
Nuke ya, nuke ya

Today was tommorow, yesterday  
It's funny how time can slip away  
The face of the doomsday clock  
Has launched a thousand wars  
As we near the final hour  
Time is the only foe we have

When war is obsolete  
I'll thank God for war's defeat  
But any talk about hell freezing over  
Is all said with tongue in cheek  
Until the day the war drums beat no more

I'll thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb  
Nuke ya, nuke ya
