Ozzy Osbourne, War Pigs

Generals gathered in their masses just like witches at black masses evil minds that plot destruction sorcerers of death's construction in the fields the bodies burning as the war machine keeps turning death and hatred to mankind poisoning their brainwashed minds, oh lord yeah!

Politicians hide themselves away they only started the war Why should they go out to fight? They leave that role to the poor

Time will tell on their power minds Making war just for fun Treating people just like pawns in chess Wait 'till their judgement day comes, yeah!

Now in darkness, world stops turning ashes were the bodies burning No more war pigs of the power Hand of god has struck the hour Day of judgement, god is calling on their knees, the war pigs crawling Begging mercy for their sins Satan, laughing, spreads his wings

OH LORD YEAH!

Generals gathered in their masses Just like Witches at Black Masses In the fields their bodies burning As the war machine keeps turning

Evil minds that plot destruction Sorcerer of death's construction It's the same wherever you go To the War Pigs people know

OH LORD YEAH!

Politicians hide themselves away They only started the war Treating people just like pawns in chess Wait till their judgement day comes ... Yeah!

People running like they're sheep in fields People blowing out their minds Say that you're dying here ... I know it now Hey, you're the goner at the end ... Yeah!

On the scene a priest appears Hell is falling at his knees Satan sends out funeral pyre Cast the priest into the fire

It's the place for all bad sinners Watch them eating dead rat cinders It's the same wherever you go To Black Masses people go

OH LORD YEAH!
