

Ozzy Osbourne, Working Class Hero (Lenon - Co

A soon as you're born they make you feel small
By giving you no time instead of it all
Till the pain is so big you feel nothing at all
Working Class Hero is something to be
Working Class Hero is something to be
They hurt you at home and they hit you at school
They hate you if you're clever and despise a fool
Till you're so fucking crazy you can't follow their rules
Working Class Hero is something to be
Working Class Hero is something to be
When they've tortured and scared you for twenty odd years
Then they expect you to pick a career
When you can't really function you're so full of fear
Working Class Hero is something to be
Working Class Hero is something to be
Keep you doped with religion, sex and TV
And you think you're so clever and classless and free
But you're still fucking peasants as far as I can see
Working Class Hero is something to be
Working Class Hero is something to be
There's room at the top I'm telling you still
But first you must learn how to smile as you kill
If you want to be like the folks on the hill
Working Class Hero is something to be
Working Class Hero is something to be
Working Class Hero is something to be
If you want to be a hero well just follow me
