

P!nk, Love Me Anyway (ft. Chris Stapleton)

even if you see my scars
even if I break your heart
if we're a million miles apart
do you think you'd walk away?

if I get lost in all the noise
even if I lost my voice
flirt with the other boys
what would you say?

could you
could you
could you love me anyway ?

i sit for better or for worse
or am I just your good time girl
can you still hold me when it hurts
or would you walk away
even if I scandalize you
cut you down and criticize you
tell a million lies about you
what would you say

could you
love me anyway
could you
pick up the pieces of me
could you
still love me
