

# P.O.D., Hollywood

All American boy with big dreams of glamour life  
Bright lights and boogie nights  
The hype is everything could be yours if the price is right  
grab your nothing and hold it tight  
The first chance you get your heading out to the west  
this decision is one you won't regret  
move to the place where everybody knows ya :  
Like Hollywood, los angeles, california

[chorus]

So you wanna be a superstar  
welcome to hollywood  
quick money, fly women, fast cars  
welcome to hollywood  
So you wanna be a superstar  
welcome to hollywood  
High times, big dreams, living large  
welcome to hollywood

One way ticket, then you'll live this  
life of a superstar caught up in this business  
god as my witness, you will never change  
only been here a day, already in the game  
You changed your name; you don't even look the same  
Now you're on top of the world, money, power, and fame  
Picture perfect, just like you planned  
No longer him cause, you da man

[chorus]

You'll never get the best of me

The time ticks away, you've had your play  
Sold your soul for the roll, now you gotta pay  
Forfeit integrity, overnight celebrity  
Settle for selfish gain rather than dignity  
Another sucka, why did you trust a playa like me fool, eternal hustla  
I'm taking everything now and you know i hate to tell you but i told you so

[chorus]
