

P.O.D., I Won't Bow Down

The top of every mountain is the bottom of another
The top of every mountain is the bottom of another
Run for cover
You'll discover some will thrive and others suffer because the top of
Every mountain is the bottom of another
Don't wait
Don't hesitate
You better speak that truth, let it resonate
And let it detonate and get blown away until you keep on rising to a
Higher place
Can't stop
Won't stop
Don't stop climbing till we hit the top
Gotta keep pushing till the day I make it
Since they won't give it to me then I gots to take it!

The pain today is power tomorrow
Keep'em coming but you'll never catch me running, 'cause
I won't bow down!
No matter what they say, I wouldn't do it any other way
Keep'em coming but you'll never catch me running, 'cause
I won't bow down!

The top of every mountain is the bottom of another
The top of every mountain is the bottom of another
Not enough
They keep us smothered
Lower class, never the upper because the top of every mountain is the bottom of another
Activate, initiate, go to a new level, see me levitate
Watch me elevate to a greater mind state in a positive dimension of a better fate
Talk about it
Be about it
Ain't no doubt you better go all out
When your heart starts racing and your body's shaking, you only get one
Shot so you got to take it!

The pain of today is power tomorrow
Keep'em coming but you'll never catch me running, 'cause
I won't bow down!
No matter what they say, I wouldn't do it any other way
Keep'em coming but you'll never catch me running, 'cause
I won't bow down!

It isn't over until I'm six feet underground
It isn't over until I'm six feet underground
It isn't over until I'm six feet underground
It isn't over until I'm six feet underground

The pain today is power tomorrow
Keep'em coming but you'll never catch me running, 'cause
I won't bow down!
No matter what they say, I wouldn't do it any other way
Keep'em coming but you'll never catch me running, 'cause
I won't bow down!
