Lies We Tell Ourselves"

Lies we tell ourselves  
You ain't fooling anyone  
Nobody's saying nothing  
Everybody knows what's going on  
It's the lies we tell ourselves  
We make believe cuz it's so much fun  
Nobody's saying nothing  
Everybody knows what's going on

I hear these voices screaming in my head (Liar Liar Liar)  
I don't care but this is what they said (Liar Liar Liar)  
It's gotta be true if they say so?  
I've heard it all before but I can't let it go  
I don't know when this will ever end

Lies we tell ourselves  
You ain't fooling anyone  
Nobody's saying nothing  
Everybody knows what's going on  
It's the lies we tell ourselves  
We make believe cuz it's so much fun  
Nobody's saying nothing  
Everybody knows what's going on

I hear these voices screaming in my head (Liar Liar Liar)  
I don't care but this is what they said (Liar Liar Liar)  
So many words but there's never a reason  
Just cuz you said it once again I won't believe it  
I lie to myself every now and then

Lies we tell ourselves  
You ain't fooling anyone  
Nobody's saying nothing  
Everybody knows what's going on  
It's the lies we tell ourselves  
We make believe cuz it's so much fun  
Nobody's saying nothing  
Everybody knows what's going on

Lies we tell ourselves  
You ain't fooling anyone  
Nobody's saying nothing  
Everybody knows what's going on  
It's the lies we tell ourselves  
We make believe cuz it's so much fun  
Nobody's saying nothing  
Everybody knows what's going on
