

# P.O.D., Revolution

More calm than a heartbeat that flat lines  
Quiet like a dark street under the moonlight  
A phrase of action that's been screamed by the guts of men,  
Ever since they're first experienced  
Injustice, prejudice, discrimination  
A word louder than a gunshot  
And softer than a baby's laugh, it will pass  
Just like it always has. Until it spits of the lips  
The next man who's had it up to here.

Did somebody say a Revolution?  
Or is it all in my head?  
Is that what it takes to make a solution  
Your Revolution

I'm not the first or the last to imagine it  
Acknowledge the concepts, question and grasp it  
Rebel against the eye and bring down the cell.  
Mutiny, me overthrow you  
Rebellion starts within, the time is now

Did somebody say a Revolution?  
Or is it all in my head?  
Is that what it takes to make a solution, solution

Did somebody say a Revolution?  
Or is it all in my head?  
Is that what it takes to make a solution  
Your Revolution

Purple skies, Devil eyes, Hypnotize  
Little lies, Compromise, Fireflies  
Samurais, parasite, fly by night, after life, materialize  
Look alike, stereotype, do or die, lullaby, black and white

Did somebody say a Revolution?  
Or is it all in my head?  
Is that what it takes to make a solution, solution

Did somebody say a Revolution?  
Or at least it's been said  
Is that what it takes to make a solution?  
Your Revolution

No resolution - Your Revolution  
And what's your solution? - Your Revolution  
And no substitution - Your Revolution  
And no resolution - Your Revolution  
And what's your solution?
